**MEETING PLACE.** Currently our club is meeting at Denny's Restaurant which is located at 2625 S. 320th Street in Federal Way.

**MEMBERS PRESENT.:** 13 members present today.

**PRAYERS NEEDED.** Our friend, David Grohs, is presently in Virginia Mason Hospital undergoing chemotherapy. This past week doctors found that David has chronic lymphocytic leukemia (CLL). Chronic lymphocytic leukemia (CLL) is a cancer of the white blood cells and bone marrow. The bone marrow is the spongy inner part of bones where blood cells are produced. White blood cells arise from the marrow and circulate in the blood. Chronic lymphocytic leukemia is characterized by uncontrolled growth of blood cells. David, lots of prayers are flying your way!

**CELEBRATING EARTH DAY 2007** A littler drizzle last Saturday morning did not dampen the spirits of four Kiwanians and seven Key Clubbers who came out to celebrate Earth Day by cleaning Dash Point Road from 1st Avenue South to South 312th Street. Do we appreciate these Key Clubbers or what? Co-chair, Wayne Triplett started the morning off by reading the rules and regulations for highway cleanup safety to the Key Clubbers. Great sstart, wayne. Some of us have done this for many years and it's the first time I heard these instructions.. Here are a couple of shots:.

**KEY CLUB CORNER.** Yesterday we had over fifty key clubbers at the weekly meeting. Each week I have been setting out sign up sheets for our summer activities. So far we have one Key Clubber signed up to help at the golf tournament, six signed up for helping at the senior spaghetti feed, nine coming to the outdoor furniture sale and TWENTY-ONE Key Clubbers presently signed up for RELAY FOR LIFE! Is that amazing or what!

**MEMBERSHIP GROWTH INCENTIVES.** Last week we talked about the 25% rule for raising money for our club. Here is yet another membership growth incentive. **IT'S AS EASY AS 1-2 -3.**

**Number 1** - Recruit 1 new member and receive a bronze key lapel pin and (1) entry in the random drawing at International Convention. **Number 2** - recruit 2 new members and receive a silver key lapel pin and an additional entry in the random drawing. **Number 3** - Recruit 3 new members and receive a gold key lapel pin and a total of three entries into the drawing. Lapel pins will be mailed to the recruiter once the entry form, required paperwork and new member fees are processed. When a member continues to recruit additional new members, the corresponding key(s) will be sent. Once gold level is achieved a member has attained the highest level of participation. The maximum level is a gold key lapel pin and 3 entries in the random drawing.

1st	<b>2 winners</b>	Trip to the 2008 Kiwanis International Convention (Hotel, airfare and registration)
2nd	<b>1 winner</b>	Spend the day at the home of the 2006-07 International President

5th	<b>50 winners</b>	US\$100 gift card to the Kiwanis Store

All eligible entries will be placed in a tumbler. The random drawing will take place onstage at the 2007 International Convention with the top 5 winners being drawn (1 st through 4 th place). A drawing for 5 th and 6 th place winners will be conducted on-site. All winners will be notified by mail after convention. Now that sounds like fun, doesn't it.

**SEND A STUDENT TO KEY LEADER THIS SPRING!** Since the spring of 2005, Key Leader events have been a great success. Here is what some had to say about Key Leader weekends: *"It was great to see all of the students come out of their shell and become friends with each other. Their ideas and point of view on things was amazing....This is one of the best things I have ever encountered with Key Club or any other organization....This is the most effective leadership weekend I've ever experienced."* You have a chance to have a student from your club or home town attend the Key Leader event in Washington at **Camp Brotherhood in Mt. Vernon, May 4-6**. Current Key Club members can receive a \$25 discount off the normal \$160 cost. The event is open to students from graduating 8th graders through those in high school. Think about young people in your club, community, church or family who would love to have this great experience in leadership development; and remember they don't necessarily have to be in Key Club! For more details, you can check out the website at [www.key-leader.org](http://www.key-leader.org) which is where the students will register. Additionally, you can contact Sylvia Maly, our Pacific Northwest Key Leader Chairperson at [sylmaly@cs.com](mailto:sylmaly@cs.com). (Might be a nice opportunity for one of our key clubbers. -db)
