

ZUCCHINI RACE CAR DERBY

AUGUST 13, 2011

“COMMUNITY SERVICE PROJECT AT THE “SATURDAY FARMERS MARKET”

Over 100 “Zucchini Race Cars” were made and raced. The kids learned how creative they really were. Some raced better than others and some kids returned several times to race their cars. We even had to repair a couple race cars due to wrecks and pieces lost.

The adults had as much fun as the kids.
